

Insurance and Billing Policy Reminder

Woodhill Dental Specialties is an OUT OF NETWORK PROVIDER. While we do accept all dental insurance reimbursements, any costs that are not covered by your insurance provider will become your responsibility.

It is important to note that most out of network providers do not typically verify or file your dental insurance claims/paperwork for you. We always file as a courtesy to our families.

Most dental insurance companies pay only a portion of out of network expenses. It is ultimately the responsibility of our patient families to know their benefits and coverages prior to receiving treatment. Cheryl, our specialist, can be reached at any time during normal business hours at 214-691-1172 ext. 280 to help.
